
UNITED STATES OF AMERICA

E-2 Visa for Grenadian Passport Holders

Advantages

- Fast processing
- Spouse and dependent children under 21 years old may be included in this visa
- Allows the applicant and his/her family to live in the USA without being subject to worldwide income taxation
- No minimum education or language requirements
- Applicant may stay in the US indefinitely as long as business continues to meet requirements under the E-2 Visa scheme

Requirements

- Invest between USD200,000 to USD300,000 to establish a new business or acquire an existing business in the USA
- The business must be profitable — meaning that it must generate enough profits to meet the investor's needs
- The business must contribute positively to the growth of the USA economy
- Create 2-4 jobs for American citizens in the USA
- Submit a detailed business proposal with the application
- Have no criminal record
- Complete a medical examination
- Provide proof of the source of funding for the investment
- Pass a due diligence check

Process

- Must apply in-person in a US consulate
- The investor must be in the process of acquiring or creating their business at the time they submit their E-2 visa application
